LAZYBROOK

NOVEMBER 2010

President's Letter

Shane Davis, President (832) 659-4277 shane-davis@comcast.net

Hello Lazybrook Neighbors – hard to believe my 1st year as your President is nearing its end. I want to thank the Lazybrook volunteers who have given their time to keep the Civic Club running smoothly. Without the untold hours each volunteer gives our community we would certainly be in disarray. Our Volunteers are the Executive Board Members (VP, Treasurer, Recording Secretary and Corresponding Secretary), Committee Chairs (Beautification, Newsletter/Website, Advertising, Recycling, Yard of the Month, Membership, Arch/Deed Restrictions Review, Graffiti, Hospitality, Lost and Found, Security/Email), Citizens on Patrol, Jaycee Park fund raisers/volunteers, Block Captains, newsletter distribution and our neighbors who write articles for the newsletter (Health, Real Estate). Many of the Committee Chairs have volunteers who help them behind the scenes and I appreciate your service as well. Another thank you is due our loyal Newsletter Sponsors – consistently buying adds to support our community paper.

The President's volunteer position did not come with a clear description of my duties, so like President's before, I am slowly learning my duties from sorting through information from our previous Presidents, other neighbors, the LCC Constitution and the LCC By laws. I hope to be more organized for you next year as it becomes clearer what I am supposed to achieve and in which month. I have discovered at year end I am to have our volunteers for 2011 in place thus the emails/phone calls to many of you have started going out. I am excited that so many have agreed to continue in your current positions. Per the LCC By Laws Section 1, the President is to appoint the Committees and their Chairs. Per the constitution, the Officers (Executive Board) are to be elected by the majority of the members present. I hope to have an active volunteer group to support our neighborhood in 2011 and look forward to serving you another year.

Our elders are the back bone of the leadership, whether they are serving now or in the past due to their extensive history with our neighborhood.

President's Letter continued

I've enjoyed their advice and funny stories. I want to take this opportunity to ask the younger members of our community to come forward and volunteer. Your ideas and influence are important to shaping our future. Several recent volunteers come to mind – Greg Kalba an Architect interested in Deed Restrictions/Arch Review, Ilya Martinalbo a working mother interested in helping us with Chief Block Captaining, Sherri Oldham steps in to help wherever I've asked and Birgitt Haderlein is helping with our physical fitness as well as safety issues while doing so, Melody Matlock took on Holiday Judging, We also have several new families in the neighborhood who volunteered to be the Block Captains for their neighbors.

For those residents who paid their civic club dues for 2010 THANK YOU! For those still on the fence please make a check out to Lazybrook Civic Club and join our club by mailing your information/\$25 to LCC PO Box 926181 Houston TX 77292. We are striving for 100% participation by our residents. Please try to attend our meetings to vote on where club money is used. Nov 30 2010 LCC Meeting is our Holiday Social (Bring a dish). 2011 dates are January 25th – Officers/ Volunteers announced. March 22 – Guest Speaker with updates on the Hwy 290 expansion at 610 Loop. May 24 and September 9th speakers to be determined.

Thank you again for serving and supporting our club.

Now's The Time For Change!

If you're thinking about selling your home, you'll want to carefully choose the real estate professional you work with. You should choose someone who specializes in residential real estate and has specific knowledge of the area. You should choose me ... as a resident of Lazybrook, I have a vested interest in keeping the values of the neighborhoods as high as possible. *So, when you're ready to sell, give me a call. Your profit is my priority!*

Recycling

Rose Brewer (713) 880.3845 brewrmcb@swbell.net

I was out walking this morning and realized that I haven't written a note to you about what to put in your green bins for quite a while. For instance, please flatten your corrugated cardboard, even if it's a little box. And, even squish your cans and plastic as you are able. When the city has so many tons of recyclables to carry around, every little bit of space that we can save for them saves our money and their effort.

Also, the city only has markets for plastics numbered one (1) through five (5) and seven (7). When you send something numbered six (6) or styrofoam, it has to be removed from the stream of recycling and placed in the garbage. That takes money and time to do.

The other items that go into the green bin are: magazines, newspaper, catalogs, office paper, unwanted mail, phone books, aluminum cans and tin cans, used oil in clean, screw-top container. (can be original container)

I have the cities' web site: www.houstonsolidwaste.org. Please log on there and find out more or call 311 and ask any question; if they don't know they will go and ask someone who does!! And, you can always ask me - 713-880-3845.

Also there is another web site that Crystal shared with me and I'm going to share it with you: www.storyofstuff.org/anotherway.php Try it - it has some stuff to think about and ideas to put into your life to be more green.

Citizens on Patrol Hours Logged

- August 2010 – 58
- September 2010 – 51.5

I appreciate the continued support of our patrollers. In the past month we have experienced a sharp increase in crime in our once quiet neighborhood. HPD has promised to increase their presence through more patrol officers and through detectives continuing to follow leads based on criminals' patterns.

We are looking for more volunteers to join our Citizens on Patrol program to help do our part to protect ourselves and our neighbors. If you are interested please send an email to lazybrook.security@gmail.com to learn more.

Citizens on Patrol

Since we are experiencing a rise in criminal activity, we are in need of more neighbors actively patrolling our streets to help curb this trend. I urge everyone to contact me so that I can schedule a COP training class for you. Just a few minutes a week can really make a big difference in keeping Lazybrook safe. Patrolling is as easy as driving or riding a bike through the neighborhood with a cell phone and calling in any suspicious persons or activities. We will train you, the hours are flexible to fit any schedule, and you are reimbursed for the cost of gas. Please email lazybrook.security@gmail.com to let me know if you are interested.

Vehicle Burglary Prevention Tips

- Lock your valuables and electronics in trunk or take them in your house
- Remove all interior valuables from plain view
- Lock your doors and roll up all windows
- Return to the store/office/house and call police if anyone looks or acts suspicious. Do not continue to your vehicle
- BE AWARE of your surroundings
- Do not jeopardize your safety for convenience
- At home, if possible, put your car in a garage or at least in the driveway
- Park only in well-lighted areas

I encourage everyone to install motion activated flood lights for their driveways and parking areas. If anyone needs help, we have volunteers that will help install lights if you choose to purchase them.

Lazybrook Email Network

We have over 340 neighbors signed up to receive email updates. If you are not currently receiving the email you can join by emailing: lazybrook.security@gmail.com
If you change your email address please drop me a line so I can make the change and keep the list current.

Real Estate Corner

Brenda Brummett (713) 861-1710

As of October 29, 2010, there are eight active listings, one option pending, and one pending listing in Lazybrook.

Of the 8 active listings prices run from \$224,900 to \$449,000 with an average square footage of 2,126 and an average per square foot asking price of \$160.67. The most expensive is a 4/3 with 3,102 square feet completely remodeled with a pool. The least expensive active is a 3/1.5 with 1,671 square feet built in 1956. The lowest per square foot asking price is \$144 and the highest is \$207.

The Option Pending is a 4/2 with 2,120 square feet that was on the market only 20 days. This 4/4 home was completely remodeled by City Cottage Builders.

In Pending is a 3/2 with 1,835 square feet. This property had been on the market for 6 months, came off for a couple of weeks, and then went under contract the first day back on the market. Lazybrook had seven closing between August 28, 2010 and October 29, 2010.

Average time on the market 112 days (fewest 0, longest 168)

Average Sales Price: \$299,571

Average Square Feet: 1,971

3.29 bedrooms, 2.14 baths

Average Per Square Foot Sales Price: \$152.03

The most expensive property sold was \$400,000; the least expensive was \$165,000. The \$165,000 is the foreclosure we have been watching for several months – the buyer made a good deal and is doing a serious remodel and add-on. Three of the seven sales included Seller contribution to closing costs (\$5,000 & \$5,400 & \$8,000)...

Yard of the Month

David Long, Yard of the Month Chair (281) 974-2561 dlong27@comcast.net

October 2010

The yard of **Pat Lero at 2314 Brooktree** is the yard of the month for October 2010. Pat and her husband bought the house in 1986 so she has lived on Brookmere in Lazybrook for 24 years.

Pat does all her own yard work including planting, designing and mowing. She does get someone to do the edging. The front yard is home to three large trees. In the center are two Red Oaks and off near the driveway there is a Burr Oak. The trees were there when Pat and her husband moved to Lazybrook. They put the new front sidewalk in about 10 years ago. It is made of pressed concrete and resembles flagstone in color as well as the surface texture. The sidewalk curves from the driveway to the front entrance to the home.

Earlier this year Pat reduced the size of some of the beds, specifically the one around the Red Oaks. Some of the original Azaleas (we think they are Formosa) which were there when they moved in are still planted between the sidewalk and the house. Pat has added some Encore azaleas closer to the front door. In addition there are some pink and some red Knockout Roses near the end of the house toward the driveway. One Caldwell Pink old rose is planted by the driveway.

All the beds except for the bed around the Red Oak are bordered with some beautiful rocks that Pat and her husband brought from their farm in Flatonia about 12 years ago. These rocks are unusual. They are a reddish brown color and they are smooth but not as smooth as River Rock. Each rock is about 5 or 6 inches long and almost as wide. These rocks add a very special touch to the borders of the beds.

Other plants which are in the beds in front of the house include two Gardenias, Aztec grass, Giant Lirope, Flax Lily and at the end, a Yellow Rose of Texas. Near the front door, Pat has selected a 3 foot tall Double Red Camelia and planted it in an ornate terra cotta pot which has aged to a beautiful mossy color.

Between the two large trees and just in front of the sidewalk, Pat and her husband placed a bench that they bought in Schulenberg. The bench has cast aluminum arms and legs which include an image of a large American eagle. The slats on the back of the bench look like stripes on a flag and a cast aluminum rectangle with stylized stars is attached to the upper left corner of the back so the back of the bench looks like the American flag. Pat said the bench was her husband's favorite spot before he died 3 ½ years ago.

On a Saturday morning at 8 am, I was driving by the house and I saw Pat in the yard planting yellow Chrysanthemums in the bed around the Burr Oak. I stopped and asked her if we could select her yard for "yard of the month." She responded that all of her hard work had paid off. Pat had placed three wooden pumpkins around the front of the Burr Oak tree. Each pumpkin has the name of one of Pat's granddaughters.

November 2010

For November, we selected the home of **Betty Allen at 2338 Brookmere** for “yard of the month.” Betty has lived at this address since 1990 but because of foundation problems with the original house, she and her former husband decided to tear down the house and divide the property into two lots. The new house was completed in 2002 and Betty moved into it 2003. This year she added a double garage and above the garage she added a huge quilt room where she will keep all her quilting machines and supplies and where she make quilts. In the photograph, the new addition is everything to the left of the porch.

The old driveway was a single lane and the new driveway is double. The new driveway required that a large oak tree be taken down. The tree was already dying in places and when they cut it down they discovered that the tree was hollow so Betty feels lucky they cut it down before it fell down. Betty had the old tree ground into mulch which she uses on her flower beds.

After the new addition, Betty asked the man who takes care of her irrigation system to supervise the installation of some new landscaping. She already had salmon/pink Encore Azaleas across the front. They are blooming now and Betty says she has some azalea blooms almost all year long. A new sidewalk from the front step to the driveway is very nicely curved and gets wider as it gets near the step. Betty selected some flagstone for the border around some new beds. She wanted the edge of the beds to be neat yet she wanted them to have a casual appearance. In the beds she selected some Crotons for color and she also added purple fountain grass, variegated Liriope and some Foxtail fern. There are pink and red Pentas in the bed in front of the sidewalk. In the large front bed a very large moss rock about five feet long is placed in front of the Azaleas. The rock divides the color are. On one side Betty planted snapdragons and on the other side she planted purple Fountain Grass. She now has three Milkweed plants which the Monarch caterpillars love to eat.

Just last week Betty found a 12 – 15 foot tall Shumard Oak tree on sale at Home Depot. The Shumard Oak tree is one of the largest southern red oak trees. It grows moderately fast and is a handsome shade tree and is deciduous. Shumard Oak trees have shiny, dark green leaves, and the bark is gray and smooth. Shumard Oak trees tolerate poor soil and drought conditions, especially after they are established. The outstanding deep crimson-red fall color produced by the Shumard Oak is an excellent reason to plant this species. The new Shumard Oak is planted near the center of the front yard. Off to the right, an older Hickory tree is producing Hickory nuts – more than the squirrels can eat for the first time.

If you would like to nominate a yard for “Yard of the Month,” send your nomination to me at dlong27@comcast.net or telephone your nomination to me at (281) 974-2561. Thank you to all who have submitted nominations.

Simple Stress Solutions for the Holidays

Birgitt Haderlein, tofityou@sbcglobal.net 713-763-0332

Editor's Note: The last issue of Lazybrook News printed Ms. Haderlein's article with several typos. It was an oversight during the formatting phase of the newsletter. Our apologies to Ms. Haderlein and our readers.

Last month I focused on walking safety tips in and around the neighborhood. I was happy to see even my early morning walkers were walking with a buddy. With the holiday season in full swing I want to focus on taming your stress now so you can have a more relaxed time to celebrate with family and friends. Stress happens no matter how organized you are, how good your systems are, or how friendly your home and work life is. It can rear its ugly head anytime. So what's a person to do? When you feel a stress attack coming on? Arm yourself with these 7 simple stress solutions.

Here are some of my favorites:

Take a walk

Is your blood pressure rising? Are you aggravated at your boss? Get out and take a walk, clear your head and take a break from the hectic situation. It's great aerobic exercise, too.

Call a friend

We all have that special person who calms us down. Whether they are telling a funny story or just listening to us vent, they will put a smile on your face. That's what friends are for.

Write in a journal

Expressing yourself on paper is a great way to vent your emotions and not let them get the best of you. You don't need to worry about what others will say or do just let the pen do the work. By the time you are done those feelings will be out of your system.

Play a board game

Remember these? Open the closet dust them off and get ready to play. Quick games like twister, hungry hippo, or go fish are always good for a laugh or two.

Work up a sweat

Have pent up frustrations? There is no better way to release and get rid of them than exercise. Get on your bike, walk in the neighborhood, jump rope, put on your favorite songs and dance to the beat. You will be working up such a sweat that you won't remember why you were frustrated in the first place. Picture the stress just coming out of your body.

Plan something fun

Is there a weekend getaway you've been putting off? Or meeting your friends for dinner at your favorite restaurant? This will take your mind off of things and you will spend time eagerly anticipating a fun getaway.

Take a hot bath

My favorite! Put in some refreshing lavender fragrance. Put up your feet and just let the hot water relax your body.

Don't forget to come to the Civic Club meeting/Christmas party Tuesday November 30. I will be giving 3 1 hour coaching/ personal training session to one lucky person. Let this be the year you don't wait till January 1 to start your health and wellness program.

Jaycee Park Update

Ileana Desalos, Contributor friendsofjayceepark@yahoo.com

Now that the cooler weather is here we will be getting more people coming to the park to play, picnic and have celebrations. I just wanted to ask everyone that happens to be at the park to help be the eyes (and voice) for the neighborhood if you are out there and see someone not respecting the rules of our neighborhood park. Some of the things that you could help with are:

* If you see someone littering, ask them to pick it up or to put it in an empty trash can instead of next to a full one. We can help to educate the people who visit our neighborhood park about the importance of picking up after themselves.

Call the **HPD non-emergency number (713) 884-3131** if you see:

- A car parked in the park
- See/smell someone doing drugs in the park
- Someone in the park after hours (the posted hours are 6am-11pm)

**All the park rules are posted at the park

Here is a great example of taking of one of our neighbors being very proactive:

One of our neighbors that regularly walks his dogs at Jaycee Park recently confronted a chronic litterer. The man would come to the park often and around the same times and ALWAYS throw his trash on the ground as well as spit huge piles of tobacco next to a bench on the concrete pad (just inches away from the grass). Well, one afternoon this resident picked up the empty bottle which the man had just thrown on the ground and tapped on his car window and asked the guy why he would litter when there was a trash can just a few feet away. The resident asked "Don't you care about this park and keeping it and Houston clean?" The man eventually apologized to the resident for his actions. The resident then persistently called the HPD non-emergency number, left a message at the Heights Storefront and notified me. I sent a message to the Parks and Recreation Department reporting the hours that the person littering was typically at the park and they dispatched a park ranger to be there for one week within those hours. The Result: the littering man has not been back to the park. Why would he if he knew he was going to be held accountable for littering every time he was there?

Our hope: Little by little, people will get the message that if they want to do these kinds of things they will have to go to another park. Maintaining the kind of park you would like to visit is up to all of us.

It is up to all of us to help make sure the rules of the park are followed (they are posted on the big green signs). HPD and the Parks Department cannot do it all for us because they are not there, but they appreciate us being the eyes at the park and they will support us the best that they can.

Beautification

Some trees have been cut by Centerpoint on our medians under the wires in the high line right-of way. These were some planted years ago, including a very nice live oak on 18th and several Crape Myrtles. The Parks Department warned me this might happen. My plan is to extend the wildflower area on T. C. Jester about 30 feet and to add a new one on 18th near Lazybrook Baptist Church as a replacement for the trees. I will announce on the Lazybrook e-mail network when volunteers are needed to plant seeds.

Plans are in motion to add the last of the trees in the medians. This will be on West T. C. Jester near 610. Also, two trees died on 18th, and those will be replaced.

Now is the time to plant wildflower seeds. Choose a sunny place. Poppies of all kinds do well, also Cornflowers. You buy mixes in garden stores, or check wildseedfarms.com. Their Texas-Oklahoma Mix is what we used on T.C.Jester.

If you enjoy wildflowers, check out the bee and butterfly garden at 11th Street Park .
