# Letter From The President

Dear Lazybrook,

For the first time since the neighborhood was built over 60yrs ago, we are finally getting much needed street repairs, sidewalk repairs, and ADA ramps! Thank you to Commisioner Jack Cagle and County Precinct 4 team for doing all this work and re-investing back into our area!

2022 has been a huge year for us, with the completion of a number of beautification projects (esplanade signs, brick and metalwork signs, and more!), many of which are a once every 20+yr expense---and especially nowadays the cost adds up fast!

Without the generosity of a number of neighbors who give well beyond the standard \$40 dues, the Civic Club would not be able to continue to support all our regular programs---especially with the cost increases we have seen this year alone. Just with weekly mosquito spraying Mar 15-Nov 15 (\$4000/year) and twice per month trash cleanup and mowing/edging of our 18th St Right-of-Way (\$8000/year), we are spending over 300 homes worth of \$40 dues monies---that's almost half the neighborhood!

If we want to continue to make progress and improve our neighborhood --- such as maintaining our esplanade trees properly to improve our green space aesthetics, and/or keep our new esplanade signs well landscaped, we need more help to balance our budget in the future. We also need to ensure we can have the financial means to address any more large routine maintenance projects that come up down the road. In light of this, it is the recommendation of the board that we pursue a vote to raise our annual membership dues from \$40 to \$60, with a "senior discount" \$40 rate available for residents 65+ yrs of age. This small dues increase will add up on the bottom line, but will still ensure that we have a more sustainable budget for years to come. To the many of you who already donate this amount per year and more, thank you!

This discussion and vote will begin at our next regular LCC meeting on Sep 27th, and as per our bylaws would also require a second vote at the November general meeting on Nov 29. The last dues increase was 2014, and as many can appreciate all of our regular costs have increased quite a bit since then.

To be clear, it is the members of LCC that drive the direction of the Civic Club, not just the board. If you feel strongly about the issue, feel free to make your voice heard at our next meeting on Sep 27.

Thank you for all your support as we try to continue our good momentum and keep Lazybrook looking great for years to come!

- Kurt Swafford, LCC President

### **WHAT IS NATIONAL NIGHT OUT?**

**National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.**

**The National Association of Town Watch introduced National Night Out in August of 1984 through an already established network of law enforcement agencies, neighborhood watch groups, civic groups, state and regional crime prevention associations and volunteers across the nation. The first annual National Night Out involved 2.5 million neighbors across 400 communities in 23 states. However, the event soon grew to a celebration beyond just front porch vigils.**

**Neighborhoods across the nation began to host block parties, festivals, parades, concerts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more. Today, 38 million neighbors in 16 thousand communities across the nation take part in National Night Out.**

# Membership

Our second membership drive of the year is underway. Now is a great time to share your neighborhood pride by becoming a dues-paying member of the LCC. It is my hope that our recent flyer made clear the important work the LCC is doing to care for our little corner of Houston. This work is only possible with the annual support of Lazybrook neighbors. Several of you answered our call with generous donations to the LCC general fund, beyond your annual membership dues. We are so grateful for this additional support! Our membership now includes **56%** of the neighborhood, leaving us just 27 homes shy of our 60% goal! Each new membership will help the LCC continue to:

- Beautify the neighborhood;
- Enhance neighborhood security through Citizen Patrol;
- Enforce deed restrictions and architectural review of home renovations and construction;
- Work with Super Neighborhood Council 14 and other city and county entities to ensure our neighborhood is maintained and improved;
- Keep residents current on information that affects Lazybrook;
- Host yards-of-the-month, holiday judging, and bayou litter pick-ups etc.; and
- Battle pesky mosquitos with weekly spraying in March through November.

To those of you who have already joined, thank you! To those of you who have yet to join, welcome!

# Lazybrook Mom's Club

## **Halloween in Lazybrook!**

Halloween is almost here! In addition to standard door-to-door trick or treating, over the past few years we've seen more neighbors come out in their yards and driveways to pass out candy and it's been really fun. Here are a few ideas:

- Individual baggies of treats set up on a picnic/card table in your yard or driveway
- Lawn chairs set up outside with a bucket of candy for kids
- Candy catapult!
- Pirate ship candy chute – ahoy 'matey!

Halloween is on a Monday night this year so please be extra careful on the roads to/from work or activities. If you do not wish to participate in Halloween, please turn your lights off on your front door/porch.

## **Moms Night Out supporting the Sinclair Auction**

Meet new friends and learn more about the Sinclair Auction at the Sinclair Mom's Night out at Bungalow Heights on **Wednesday, September 28 from 6-8 pm**. You don't have to have a child at Sinclair, but we ask that you bring a bottle of wine (\$15 and up) to donate to the Sinclair Auction wine pull.

As always, if you'd like to host a meet-up, playdate, or event, you are welcome to do so through the "**Lazybrook Mom's Group**" on Facebook. This is our main avenue of communication. It's also a great place to swap kids items, give/ask for recommendations, and chat about anything mom/kid/neighborhood related. ## HOUSTON MARKET REVIEW

Record home prices and rapidly rising mortgage rates continued to discourage buyers and cool the market. The housing market's ongoing slowdown will continue through the end of the year. The housing market always cools down this time of year, but this year, expect fall and winter to be especially cold as sales dry up more than usual. The drop in home sales coincided with the rapid increase in mortgage rates that began in January and picked up steam in recent months.

Our Lazybrook neighborhood continues to have available inventory, but 5 of the homes listed took reductions in asking price. 36 homes sold this year for an average price of \$604,813 with 10 homes selling over the asking price.

## ACTIVE HOMES

As of Sept 1, 2022, there are 9 homes actively listed in Lazybrook, priced between \$ 449,999 and \$849,999. The square footage ranges from 1,479 to 2,363. The homes span from 3 bedrooms 2 baths with an average dollar per SQFT of \$342.73 to a 4 bedrooms 3 baths with an average dollar per SQFT of \$328.11. The average list price is \$ 687,389 with days on market of 40.

## SOLD HOMES

19 Lazybrook properties sold for an average price of \$615,026. The average dollar per was SQFT \$314.36.

# Lorraine Cherry Nature Preserve News

## **New Signs and a Ribbon Cutting Ceremony on October 11 at 10:00 am!**

If you haven't seen the new signage for the nature preserve, drive by, or better yet, join us at the Ribbon Cutting Ceremony on October 11 at 10:00 am! We will be celebrating our name change with an official Ribbon Cutting Ceremony complete with City of Houston officials. Our new signs were installed July 9 on each corner of the preserve. And, what exactly do those signs mean now that West 11th Street Park has changed status and become The Lorraine Cherry Nature Preserve? Well, the City of Houston has been at work writing a Nature Preserve Ordinance that is in its final stages of approval. While the new Nature Preserve Ordinance prohibits any new buildings or mountain bikes in the preserve and has a tightening of dog restrictions, not too much will change for our favorite urban forest. Dogs not only need to be leashed at the nature preserve, now they will need to stay on trails with their owners. If you see any dogs off leash or off trail while visiting, please submit an email to: [askparks@houstontx.gov](mailto:askparks@houstontx.gov). We appreciate you working with us to help correct this problem in our preserve to protect the nature within.

## **Color/Draw/Build a Bug Contest**

To celebrate the end of summer and back to school, Friends of The Lorraine Cherry Nature Preserve are pleased to announce a color/draw/build a bug contest for children. Two children from multiple grades will be selected via raffle to win a bug related book as a prize. In order to be eligible to win, have your child color or draw or build a bug and take a picture of their creation.

To enter, just post a photo on W 11th Street Park's FB page with the child's NAME and GRADE level only. Entries can be submitted starting on Saturday, August 13 until Saturday, October 8. Prizes will be awarded on Tuesday, October 11 at our Ribbon Cutting Ceremony. A drawing will be held and the winners will be notified prior to the ceremony.

The prizes are:

1st Grade: The Book of Brilliant Bugs, by Jess French; 2nd Grade: Ultimate Bugopedia: The Most Complete Bug Reference Ever, by Nancy Honovich; 3rd Grade: Butterflies Are Pretty ... Gross!, by Rosemary Mosco; 4th Grade: Everything you wanted to know about bugs, by DK; 5th Grade: National Geographic Backyard Guide to Insects and Spiders of North America, by Arthur Evans; 6th Grade: Common Insects of Texas and Surrounding States: A Field Guide, by John Abbott.

## **Bird Walks are Back!**

Friends of The Lorraine Cherry Nature Preserve sponsors weekly Bird Walks in the Forest each Tuesday morning at 8:00 am September through May. Meet at the kiosk on Shelterwood across from the corner of Pineshade. Dress for the weather, wear comfortable shoes, and bring your bug spray and water. If you have binoculars, it really adds to the experience to have them with you. If you hear thunder, the Bird Walk will be cancelled until the following week. Bird Walks in the Forest also take place at 5:30 pm on the first Thursday night of the month September through November and again February through May. We are looking forward to having you join

**T**he Lazybrook Civic Club would like to say farewell to Melba Clewis, a longtime resident and supporter of the Lazybrook Civic Club. Melba passed away in the early morning hours Easter, April 17th 2022. Melba and David bought their home at 1831 Nauts Ct. in 1958 and have lived there ever since. They were charter members of the civic club in 1960 and were present at the very first meeting of the Lazybrook Civic Club. Melba and David enjoyed traveling in their retirement aboard their motor home. Melba will be missed.

## Be a Good Neighbor

Your next door neighbors may be as effective as any alarm system. Speak with your neighbors often and establish trust. Good, trustworthy neighbors are often the first to spot when something is amiss. They can keep watch over your home when you're away and report any suspicious activity to the police. If you're able, consider attending our next Lazybrook Civic Club meeting or joining our neighborhood Citizen Patrol.
